### PROPERTIES

- 81 – 100% Bio-Based
- EO-free
- Sulfate-Free
- Low CMC
- pH: 7.0-9.0
- Foam Booster

### APPLICATIONS

- Shampoos
- Baby Products
- Bath Gels
- Body Washes
- Facial Cleansers
- Make-up Removers

*and many more!*

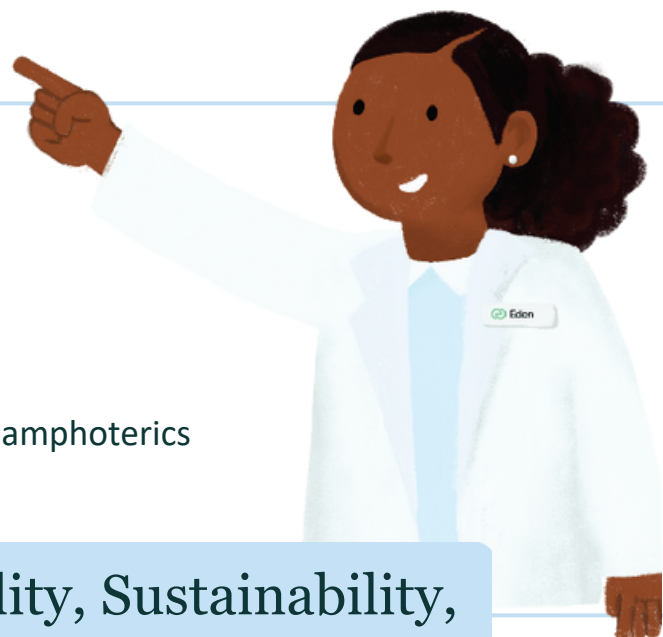

### ENVIRONMENTAL

- Produced using a low carbon footprint
- Produced without hazardous materials
- Non detectable 1,4 Dioxane levels

### BENEFITS

- Bio-Based Surfactant
- High water solubility
- Works in oil and water-based systems
- Broadly compatible with alcohol surfactants & amphoteric
- Capable of high oil loadings in emulsions
- Slightly opalescent gels

Scalability, Sustainability,  
Performance
